

There are two Indias, the exterior India that the tourists find delightful and the hidden India which holds the secrets to the the High Magic of India. The secret instruction of the High Magic of India is taught to the few by the few and the teachings range from the highest forms of psychic power to the alternate forms of power such as witchcraft and black magic. There are secret rituals, formulas, magical ceremonies, invocations, evocations and performances taught so that you can master your own destiny. The Magician who practices the High Magic of India understands things in the light of higher wisdom and for the Magician there is no such thing as a miracle! The High Magic of India shows you how to fulfill your own dreams and desires by learning how to access the finer forces of Nature that have been waiting for you to tap into since the beginning of time.
