

## Assimilation: Tales of Transformation and Surrender

Assimilation: Tales of transformation and surrender Rubber moves through me until every cell is coated, every nerve insulated; every part of me rubberised and assimilated. The process is slow, purposeful, unrelenting, and irreversible - and it feels like slowly drowning in a rising black tide of ecstasy. These stories weave tales of delicious perversity, unrelenting transformations, heady submission, and willingly given surrender. They speak of masculinity and hunger - of bondage, hypnosis, pup-play and water-sports... They tell of men released from their limitations to test and push and explore at the very limits of experience and play - and all are wrapped within a seductively hypnotic skin of rubber and leather...intensely erotic fantasies, throbbing with hypnotic intensity and loaded with phwoar factor...Shaz, Larton Media

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
