

Authority Figures

Reveals how certain strategic metaphors embedded in the early Western literary canon have promoted—and continue to promote—systems of inequality and social control. Collins examines texts ranging from the Homeric epics and the Platonic dialogues to Virgil's Aeneid and the Book of Revelation. Drawing on the linguistic and documentary evidence of usages in early societies, chiefly Greek and Hebrew, Collins has produced a penetrating examination of social and personal structures in those worlds.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
