

Awakened By His Touch (Harlequin Romance)

Is it strictly business? Laney Morgan may be blind, but she's no pushover. When Elliot Garvey walks into her life wanting to globalize her family business, she plans to make him work for it. Work Hard, Play Hard may be Elliot's motto, but being around the irresistible Laney, he starts to see a new world through her eyes. But he's here strictly for business. Until Elliot guides Laney's hand to his face. They can't ignore the chemistry, especially the realization she's about to be awakened to a world she never knew.
