

## Beddington Place

Beddington Place: Watch Your Back, Cover Your Tracks is a dark comedy that takes place in the Hollywood-East fictional town of Beddington. Paige Turner, a freelance celebrity journalist, is on assignment for Hello! magazine, where she becomes embedded in a combat zone of rumor and romance. Befriended by an intriguingly snarky group of girlfriends who are hatching a plan to launch their own reality show called The Horsewives of Westchester County, Paige becomes privy to the spectacle and deep secrets of Beddington's glamorous horse world. Then a valuable horse is found dead in a paddock. Was it an accident, as Paiges new friends insist - or was foul play at hand?

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
