

Colorotica

Truly an adults only coloring and activity book created for those in (or interested in) the BDSM and kink communities. Included is a fully poseable paper doll, coloring pages to play out your most interesting fantasies, games, and activities to keep the brain in top shape! Word games have been designed so that the eyes don't immediately recognize patterns, spotting the differences might prove challenging with such small details, and story blocks are less detailed to allow the blossoming of creative imagination.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
