

Mysteries of Native American Myth and Religion

Folklorist Gary R. Varner takes a lengthy look at various myths, legends and beliefs of Native Americans in this book. Included are stories and archaeological finds from various lands that suggest cultural contacts between explorers from China, Japan, the Mediterranean and Europe with Native Americans in pre-Columbian times. Native American folklore and myths are examined including the universal legends of the flood and stories of the mysterious god-men such as Quetzalcoatl, Votan and Chinigchinix, who brought the arts, technology and civilization to indigenous cultures. *Mysteries of Native American Myth and Religion* is a fact-filled, yet fascinating story of the original inhabitants of North and South America. Varner has written several books on folklore and mythology and is a member of the American Folklore Society and the Foundation for Mythological Studies.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
