

Once Removed: A Novel

David Applefield's powerful first novel *Once Removed*, stirs memories from Krakow, Poland of the thirties and forties, with the banal reality of post-war America, where strange moments of personal epiphany occur in hospital waiting rooms, fast food restaurants, and hotel lobbies. The novel, skillfully set in present day Houston, Texas, shuttles us back and forth before and after the war, but never leaves the last 17 days of one man's life. In 1947, Polish camp survivor Jacob Simon and his identity-shocked eleven-year-old daughter, Dzidza, leave a devastated Europe and a haunted past. Forty years later, in the Intensive Care Unit of a prestigious American heart clinic, the horrors surface again as experiences are relived and the memory itself battles to reconstruct the past. This deeply ironic and poignant story—while consumed by the superficiality of the dalliance in which it's being told—invites a contemporary metaphor for experiencing a world once removed.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
