

Pediatrics Recall

Following its acclaimed predecessor Pediatrics Recall, this new Second Edition reviews disease entities to facilitate retention and mimic verbal testing covered in a pediatric clerkship. Its unique question-and-answer format is retained. This edition is organized by disease process and involved systems. The text includes descriptions, signs, symptoms, pathophysiology essentials, treatments and possible outcomes. New to this edition are some select figures. Topics cover basic issues in neonatal and pediatric fluid management, blood products, nutrition, growth, emergencies, and intensive care. One chapter is solely devoted to issues relating to the adolescent patient. Easy access design is ideal for clinical rotation usage.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
