

Eighteenth Century German Prose: Heinse, La Roche, Wieland, and others (German Library)

Foreword by Dennis F. Mahoney
The German Library is a new series of the major works of German literature and thought from medieval times to the present. The volumes have forwards by internationally known writers and introductions by prominent scholars. Excerpts six texts (by La Roche, Forster, Wieland, Moritz, Heinse, and Braker) that show a cross-section of forms and themes that are representative as well as special examples of 18th-century German prose.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
