

Flying IFR (Thomasson-Grant Aviation Library)

Flying IFR provides invaluable discussion on instrument airmanship, weather analysis, flight planning and decision making, handling equipment glitches, partial-panel flying, and much more. The only tests for which this text prepares you for are the ones encountered in actual IFR flights. Hard cover, 226 pages, indexed.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
