

Ghosts of the Wild West: Enlarged Edition Including Five Never-Before-Published Stories

Once deemed the custodian of the twilight zone by *Southern Living*, celebrated storyteller and ghost hunter Nancy Roberts returns to familiar subject matter in this newly expanded edition of her *Ghosts of the Wild West*, a finalist for the Spur Award of the Western Writers of America in its original edition. In these seventeen ghostly tales—including five new stories—Roberts expertly guides readers through eerie encounters and harrowing hauntings across Kansas, Montana, Wyoming, Colorado, Arizona, New Mexico, Texas, and the Dakotas. Along the way her accounts intersect with the lives (and afterlives) of legendary figures such as Wild Bill Hickok, Wyatt Earp, Bat Masterson, and Doc Holliday. Roberts also justifies the fascination among ghost hunters, folklorists, and interested tourists with notoriously haunted locales such as Deadwood, Tombstone, and Abilene through her tales of paranormal legends linked to these gunslinger towns synonymous with violence and vice in Western lore. But not all of these encounters feature frightening specters or wandering souls. Roberts also details episodes of animal spirits, protective presences, and supernatural healings.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
