

Grandmas Lap Dog: She Trains The Young Man To Fulfill Her Lustful Desires (GRANNY Book 4)

SUMMARY Augusta Holmes is a very lonely sixty-eight year old widow who lives by herself in a large house in Wimbledon, until her granddaughter Patricia comes to stay with her for a few weeks. Patricia brings Mac, her latest beau to stay at the house and while Augusta is pleasant towards the suave twenty-four year old man, she has her reservations. This quickly changes when Mac starts to obey all her requests without question, even when she gives him amorous commands, and she slowly turns him into her lap-dog so that she can use him to fulfill her erotic lusts and desires... This adult story contains graphic M/F, oral sex and other adult sexual activity. **GRANNY SERIES 4** Grandmas Lap Dog: She Trains The Young Man To Fulfill Her Lustful Desires is the Fourth in the Granny Series of erotic stories from Colette Fry. Men of all ages, whether married or single, often seek love and casual sex with an older woman, while many of them find solace in the comforting arms of an old granny. Many older women and grandmothers look for love, comfort and sex with virile younger men. Most want occasional sex without the encumbrance of a lasting affair, but some of them are looking to start a new permanent relationship, while the difference in ages is never a hindrance and is often an attraction.

EXTRACT Augusta felt surprised as she heard herself ask him to kiss her, expecting him to move away. But when he showed no sign of dismay or hesitation and reached down to press his lips against hers in a soft and tender kiss, she knew it was right thing to say. It was her first romantic kiss in years and she wanted it to last forever. His arms wrapped around her, holding their bodies pressed together in a tight clinch, and he continued to kiss her with great passion, until after a few minutes the kissing stopped and he raised his head. Oh, dont stop kissing me now, Donald, I was

just getting used to it, she said with a laugh, expecting him to chuckle and pull away, ending the brief moments of excitement and returning their lives to normal. Instead, his grip on her body tightened and he said, If you say so, Augusta. His mouth met hers in another warm kiss and feeling more daring, she rubbed her tongue along his lips. When he did the same to her, she opened her mouth, greedily pulling his tongue inside and sucking on it with increasing fervour. Without realising what she was doing, but perhaps in response to feeling herself wrapped in the arms of a strong young man, her body began to gyrate with slow, sensual movements, rubbing her hips against his nether region and it was not long before she felt his stiffness pressing into her stomach. This aroused erotic emotions in her that had lain dormant for almost a decade and burning waves of lust and desire surged through her body. She clung to his neck with her arms holding his head against hers, while she continued to kiss him with growing abandon. This was sheer madness and she thought it was time to call a halt, but as she peered into the depths of his soft brown eyes, she knew at once that he had similar desires raging through his body. AUTHOR Colette Fry is a author of more than 130 erotic eBooks on Amazon Kindle in popular sub-genres. These include Cougar MILF, SWINGERS, WRINKLY MEN, GRANNY, ROLE PLAY, URBAN EROTICA, GHOST and the MAGIC & FANTASY Series.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
