

## Hill Figures of England

Although figures have been cut in the ground in many parts of the world, it is in England that hill carvings are most accepted as an art form. In *Hill Figures of England*, Maurice Askew explores the myths and legends behind each of the figures, considering when they were carved and the possible reasons behind their creation. Above all, he gives each a personal angle with his distinctive paintings. *Hill Figures of England* aims to be an enticement to lead the reader to seeking out, discovering, and visiting these small bits of English history.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
