

# Holocaust, Genocide, and the Law: A Quest for Justice in a Post-Holocaust World

A great deal of contemporary law has a direct connection to the Holocaust. That connection, however, is seldom acknowledged in legal texts and has never been the subject of a full-length scholarly work. This book examines the background of the Holocaust and genocide through the prism of the law; the criminal and civil prosecution of the Nazis and their collaborators for Holocaust-era crimes; and contemporary attempts to criminally prosecute perpetrators for the crime of genocide. It provides the history of the Holocaust as a legal event, and sets out how genocide has become known as the crime of crimes under both international law and in popular discourse. It goes on to discuss specific post-Holocaust legal topics, and examines the Holocaust as a catalyst for post-Holocaust international justice. Together, this collection of subjects establishes a new legal discipline, which the author Michael Bazylar labels Post-Holocaust Law.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
