

Imperialism, a study

In his Preface to the 1902 first edition of *Imperialism: A Study*, imperial critic J.A. Hobson demonstrates his prophetic talents by noting, just as the Victorian age was ending and World War I was brewing, that Imperialism has been adopted as a more or less conscious policy by several European States and threatens to break down the political isolation of the United States. Though the book speaks mostly of British imperialism of the period, Hobson inevitably explores the general principals-and hidden motives-of imperialist policy. Hobson covers: . the commercial value of imperialism . imperialism as an outlet for population . economic parasites of imperialism . imperialist finance . moral and sentimental factors . and much more. With imperialism again a hot topic in the political arena, Hobsons treatise continues to lend invaluable, necessary insight into a complex ideology. British writer JOHN ATKINSON HOBSON (1858-1940) was an historian and economist as well as a popular lecturer on the topics. His other books include *The Evolution of Modern Capitalism* (1894), *The Economics of Distribution* (1900), *The Economics of Unemployment* (1922), and the autobiographical *Confessions of an Economic Heretic* (1938).

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
