

How to Be Black

The Onions Baratunde Thurston shares his 30-plus years of expertise in being black, with helpful essays like How to Be the Black Friend, How to Speak for All Black People, How To Celebrate Black History Month, and more, in this satirical guide to race issues written for black people and those who love them. Audacious, cunning, and razor-sharp, How to Be Black exposes the mass-media's insidiously racist, monochromatic portrayal of black culture's richness and variety. Fans of *Stuff White People Like*, *This Week in Blackness*, and *Ending Racism in About an Hour* will be captivated, uplifted, incensed, and inspired by this hilarious and powerful attack on America's blacklisting of black culture: Baratunde Thurston's *How to Be Black*.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
