

# Maiden Voyage

Maiden Voyage is Denton Welch's debut novel, a frankly autobiographical account of a short period in his life when - at the age of 16 - he ran away from his English boarding school, before being sent back to Shanghai to live with his businessman father. Trembling with sex, is how Alan Bennett wonderfully describes Maiden Voyage; and as well as portraying so acutely the passions and nameless longings of a teenage boy, and the strange quirks and brutalities of public school life, it is also a novel that deals with the agony of childhood bereavement - the suffering of a boy who has only recently lost his mother. When Maiden Voyage was first published in 1943 it was an overnight sensation, and so graphic in its depiction of adolescence and the schooling system that Welch's publisher - Herbert Read - was forced to seek legal advice. Seventy years on, there is little to shock the modern reader - but more than enough to earn a new generation of fans and admirers. William Burroughs said, If ever there was a writer who was neglected, it was Denton. He makes you aware of the magic that is right beneath your eyes.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year

ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
