

The Perfidies Correction

Democracy is a Lie: Who can you really trust? Kate Mitchell is on the run. She had only stayed late at the office to catch up on some filing, when she unwittingly found proof of a series of events that if known, would bring down the government. And now she knows they know it. Against his better judgement, suspended detective Martin Bexleigh is tasked by Kates friend to find her and help her. Events quickly start spiralling out of control and Bexleigh finds himself frantically competing against an unknown enemy: to protect Kate, he must find her and keep her alive long enough to make the contents of her discovery public. In a thrilling and shocking manhunt, Kate and Martin find themselves caught up in a trail of intrigue, confusion, treachery, death and destruction: from the shadowy halls of Whitehall, through the southeast of England and across Europe. In a race to see who can get to Kate and control the spread of the evidence first, there is no second place.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
