

Medical Massage CareS Ncetm Sample Exam

Medical Massage Care's NCETM Sample Exam is a 160-question practice exam in the same format as the National Certification Examination for Therapeutic Massage (NCETM) administered by National Certification Board for Therapeutic Massage and Bodywork (NCBTMB). The questions have the same percentage weights as the NCETM. This sample exam tests the type of material that is likely to appear on an exam. The sample exam is followed by the answer key, and after that the sample exam is repeated with the answers shown. Topics include body systems, anatomy, kinesiology, pathology, assessment, application, ethics, and business. The author passed both the MBLEx and the NCETM, and has sold thousands of study guides and practice exam books for the massage exams.
