

Nightwoods: A Novel

The extraordinary author of *Cold Mountain* and *Thirteen Moons* returns with a dazzling new novel of suspense and love set in small-town North Carolina in the early 1960s. Charles Frazier puts his remarkable gifts in the service of a lean, taut narrative while losing none of the transcendent prose, virtuosic storytelling, and insight into human nature that have made him one of the most beloved and celebrated authors in the world. Now, with his brilliant portrait of Luce, a young woman who inherits her murdered sisters troubled twins, Frazier has created his most memorable heroine. Before the children, Luce was content with the reimbursements of the rich Appalachian landscape, choosing to live apart from the small community around her. But the coming of the children changes everything, cracking open her solitary life in difficult, hopeful, dangerous ways. Charles Frazier is known for his historical literary odysseys, and for making figures in the past come vividly to life. Set in the twentieth century, *Nightwoods* resonates with the timelessness of a great work of art.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I

couldn't be more pleased."
