

Objection, hes still alive: Memoirs of a Cowboy Coroner

From the seemingly routine and mundane to the esoteric we accompany William Moore on his daily routines of a modern autopsy service where those who die are examined to protect the living. From the all too common cardiovascular death to the accidental fatal injuries and of course the tragic homicides this narrative takes the reader behind the scenes to examination of the dead and presentation of evidence to convict the guilty. Pull up a chair and lets get started then. You are here to discuss the motor vehicle pedestrian hit-and-run that occurred on the Interstate up by the canal. This is the case where the fleeing motorist was pursued by witnesses who forced him to stop after he pulled onto the access road.

Is that right? Doc, how do you remember all these cases? asked the attorney. Each death is unique and if I pay sufficient attention to the unique qualities I can generally recall them at least to some detail. Did you bring your tape recorders? Are we ready to get started?

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
