

A Dead Issue

Mark Cameron does not want to be groomed to take over the family business empire. He wants to find his own path in life like his father did. But when his half-brother comes to town, that path takes Mark to the center of a felony homicide investigation as a person of interest. He plays a dangerous game, balancing between being a key witness and a prime suspect as Detective Devereaux doggedly searches for that one clue that could put Mark behind bars. Meanwhile, the vultures circle the investigation and tear into the family fortune, gorging themselves with payoffs, extortion, and ransom. Mark's world is spinning out of control and he must find a way to make it stop. There is only one way. Someone must die.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
