

## The Year of Pleasures: A Novel

In this rich and deeply satisfying novel by the beloved author of *The Art of Mending*, and *Open House*, a resilient woman embarks upon an unforgettable journey of adventure, self-discovery, and renewal. Betta Nolan moves to a small town after the death of her husband to try to begin anew. Pursuing a dream of a different kind of life, she is determined to find pleasure in her simply daily routines. Among those who help her in both expected and unexpected ways are the ten-year-old boy next door, three wild women friends from her college days, a twenty-year-old who is struggling to find his place in the world, and a handsome man who is ready for love. Elizabeth Berg's *The Year of Pleasures* is about acknowledging the solace found in ordinary things: a warm bath, good food, the beauty of nature, music, friends, and art. Berg writes with humor and a big heart about resilience, loneliness, love, and hope. And the transcendence that redeems, said Andre Dubus about *Durable Goods*. And the same could be said about *The Year of Pleasures*.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
