

The Legal Guide for Starting & Running a Small Business: Legal Forms (Vol 2 of Edition 3)

Most small businesses cannot afford to hire a lawyer to draft the documents they need in the course of day to day business. This book, the companion to Fred Steingold's bestselling Legal Guide for Starting & Running a Small Business, Vol. 1, provides small business owners with more than 75 forms and documents to help them with their business-related legal needs.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
