

Killer View (Sun Valley Series)

When a skier goes missing at Sun Valley's Galena Summit, Sheriff Walt Fleming quickly assembles his crack Search and Rescue team and heads out into the snowy night. Despite the treacherous conditions, Walt and his group, including deputy Tommy Brandon and Walt's best friend, Mark Aker, set off on skis, accompanied by highly trained search dogs. Within minutes, something goes horribly wrong: one of their team is dead. By morning, Mark Aker has disappeared. Torn between professional responsibility and the desperate urge to find his friend, Walt is further challenged by an unexplained illness at a local water-bottling plant that sends workers to the hospital and sets off biohazard warnings. Following threads of questionable evidence through the glitter of Sun Valley leads Walt to an unlikely and darker source, and reveals a crime played out on a much larger scale than he originally envisioned. Waist-deep in snow and knee-deep in lies, the life of his friend in the balance, Walt begins to suspect that the whole operation is controlled by people of great wealth and power, which leaves him where he started: out in the cold. From adrenaline-charged start to explosive finish, *Killer View* is heart-stopping suspense at its very best. A terrific villain, an appealing protagonist, and breakneck pacing. Ridley Pearson writes thrillers, the kind that try to yank you to the edge of your seat and keep you there. *—Boston Sunday Globe*

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
