

Sailors and Sexual Identity: Crossing the Line Between Straight and Gay in the U.S. Navy (Haworth Gay & Lesbian Studies)

In *Sailors and Sexual Identity*, author Steven Zeeland talks with young male sailors--both gay- and straight-identified--about ways in which their social and sexual lives have been shaped by their Navy careers. Despite massive media attention to the issue, there remains a gross disparity between the public perception of gays in the military and the sexual realities of military life. The conversations in this book reveal how known gay and straight men can and do get along in the sexually tense confines of barracks and shipboard life once they discover that the imagined boundary between them is not, in fact, a hard line. The stories recounted here in vivid detail call into question the imagined boundaries between gay and straight, homosexual and homosocial, and suggest a secret Pentagon motivation for the gay ban: to protect homoerotic military rituals, buddy love, and covert military homosexuality from the taint of sexual suspicion. Zeeland's interviews explore many aspects of contemporary life in the Navy including: gay/straight friendship networks the sexual charge to the Navy/Marine Corps rivalry the reality behind sailors' reputations as sexual adventurers in port and at sea men's differing interpretations of homoerotic military rituals and initiations sex and gender stereotypes associated with military job specialities how sailors view being seen as sex objects. Everyone interested in the issue of gays in the military, along with a general gay readership, gay veterans, and gay men for whom sailors represent a sexual ideal, will find *Sailors and Sexual Identity* an informative and entertaining read. "I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
