

## Sing to Me

Sarah Jackson's spirited protagonist, Adrian Sims, is back, and this time she's in love and ready to settle down. *Sing to Me* starts out with Adrian and her partner, Amy Miller, settling down and purchasing their first home. There are some extraordinary secrets in this new home. Life is good and they're invited by friends to go on a camping trip to the Sierra Nevada Mountains. They want to view the meteor showers and celebrate their continued commitment to each other. The celebration comes to an end when a human hand falls from the treetops near Adrian's feet and she takes it upon herself to figure out the where, what, who and why of this disturbing discovery. Adrian finds herself drawn into a complex mystery that will lead her across the state, with the help of Lieutenant Pierce of the San Francisco Police Department. As they dig their way through the clues, a tragedy happens that turns Adrian's life upside down. Adrian will reach a crossroads in her career and personal life, and fate will have a big hand in determining which one is more important to her future. Sarah Jackson's second installment of her Adrian Sims mysteries brings back her fans' most memorable characters and introduces some interesting new ones. This exciting mystery keeps the reader guessing with intricate twists and turns leading to a surprising and stunning climax. About the Author: Sarah Jackson has been a writer for over 15 years. Ms. Jackson is currently writing the third installment of the Adrian Sims Mystery series. Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
