

Stealing Emma (Nights in Madrid Book 2)

Emma Blake is ready for a change from her monotonous life in Los Angeles. So when her boyfriend Roy suggests they go to grad school abroad in Spain, she's all for the adventure. New city, new life, new friends. What could possibly go wrong? Max Durant is excited to be back home in Madrid and take a much needed break from his hectic life in London. He was looking forward to a new challenge in school until it materializes in the feistiest girl he ever met on a basketball court. There's something about her that simply makes his blood boil and he becomes instantly hooked. But then his world comes to a screeching halt when he realizes she's already taken. Despite the obvious warning signs and potential disaster, Emma and Max become close friends when they're forced together as partners in the same study group. When the lines start to blur and things begin to unravel, Emma must decide if she should hold on to her past or take a risk in her future.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
