

# The Tancook Schooners: An Island and Its Boats

Wayne O'Leary provides detailed descriptions of how the schooners were conceived and perfected, and paints a vivid picture of life on Tancook from the late eighteenth century into the twentieth century. He shows how national and international developments affected the lives of the Tancook Islanders and the character and uses of the vessel for which they became famous. He also includes many stories about individual builders and a wealth of photographs and drawings. The Tancook Schooners will be of interest to maritime enthusiasts as well as maritime, economic, and social historians.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
