

Tea and Crumpet

Raise your rainbow umbrellas high and celebrate! Enjoy this enchanting, entertaining and thought-provoking collection, a heartfelt expression of what it means to be queer in Britain, past and present. All these stories reflect the iconic sights and national character of the British Isles: a taste of our idiosyncrasies and eccentricities, but also an unashamed representation of the love, loyalty and laughter of our people. Including a wide range of style and subject, this is the perfect way to sample different authors and to find both existing and new favourites. Follow the British way of life from historic villages to modern cities, from the countryside to the sea, through history and with a fantasy twist, in gardens, churches, campus and the familiar, much-loved local pub. The stories cover universal themes of romance, desire, remembrance and reconciliation. The authors range from multi-published to up-and-coming, and they all share a passion for their characters, whether through great drama, erotic excitement, humour -- or a combination of all three! Contributors include: Alex Beecroft, Jennie Caldwell, Stevie Carroll, Charlie Cochrane, Lucy Felthouse, Elin Gregory, Mara Ismine, Clare London, Anna Marie May, J L Merrow, Josephine Myles, Zahra Owens, Jay Rookwood, Chris Smith, Stevie Woods, Lisa Worrall, Serena Yates. Edited by: UK MAT (UK Meet Acquisitions Team). This anthology is a souvenir of the 2011 UK Meet, an occasion for GLBTQ supporters to get together in a relaxed setting to celebrate and chat about the fiction community they love. Funds from the sale of this anthology will go towards future UK Meets, to which all are welcome. Please visit the website for details. Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
