

The Advocate: The Advocate, Book 1

For Sabre Orin Brown, life is good; she has it all...or would have, if only she could solve the mysterious disappearance of her brother. The search for her brother and her career as a juvenile-court attorney collide when she defends a nine-year-old whose father will go to any length to obtain custody. Sabre finds herself immersed in a case with too many unanswered questions. Her quest for the truth takes her coast to coast and five years into the past. Confronted with mysterious clues and strange occurrences, Sabre is threatened by someone wanting to make her suffer the unbearable anguish of losing everything - including her life. As Sabre's passion to find the answers intensifies, she discovers a twisted history of desperation, deceit, and revenge. And she discovers how obscure and treacherous the truth can be. The Advocate, a legal-suspense murder mystery, is the first book in The Advocate Series. Three characters continue throughout the series, Sabre Orin Brown, defense attorney; her investigator, J.P. Torn; and her colleague Bob Clark. The Advocate is followed by The Advocates Betrayal, The Advocates Conviction, The Advocates Dilemma, and The Advocates Ex Parte.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
