

The Fight for a Free Sea (A Chronicle of the War of 1812)

CHAPTER I ON TO CANADA! THE American people of today, weighed in the balances of the greatest armed conflict of all time and found not wanting, can afford to survey, in a spirit of candid scrutiny and without reviving an ancient grudge, that turbulent episode in the welding of their nation which is called the War of 1812. In spite of defeats and disappointments this war was, in the large, enduring sense, a victory. It was in this renewed defiance of England that the dream of the founders of the Republic and the ideals of the embattled farmers of Bunker Hill and Saratoga achieved their goal. Henceforth the world was to respect these States, not as so many colonies bitterly wrangling among themselves, but as a sovereign and independent nation.

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
