

The Right Thing

On a scorching August day in 1963, seven-year-old Annie Banks meets the girl who will become her best friend. Skinny, outspoken Starr Dukes and her wandering preacher father may not be accepted by polite society in Jackson, Mississippi, but Annie and Starr are too busy sharing secrets and playing elaborate games of Queen for a Day to care. Then, as suddenly as she appeared in Annie's life, Starr disappears. Annie grows up to follow the path ordained for pretty, well-to-do Jackson women--marrying an ambitious lawyer, filling her days with shopping and charity work. She barely recognizes Starr when they meet twenty-seven years after that first fateful summer, but the bond formed so long ago quickly reemerges. Starr, pregnant by a powerful married man who wants her to get out of town, has nowhere to turn. And Annie, determined not to fail her friend this time, agrees to drive Starr to New Orleans to get money she owes. During the eventful road trip that follows, Annie will confront the gap between friendship and responsibility; between her safe, ordered existence and the dreams she's grown accustomed to denying. Moving, witty, and beautifully told, *The Right Thing* is a story of love and courage, the powerful impact of friendship, and the small acts that can anchor a life--or, with a little luck, steer it in the right direction at last. Mix Fannie Flagg, Rebecca Wells, Kathryn Stockett, then add just a dash of Flannery O'Connor, and you'll wind up with the wholly original voice that is Amy Conner. In this deceptively breezy novel of Southern women and the disaster and triumph of long-term friendships (not to mention racetracks and horses), Ms. Conner has staked a claim to her own Southern turf. --Bret Lott, *New York Times* bestselling author of *Jewel* This riveting debut novel shows how true friendship can span a social gulf and endure even across a chasm of time. The

Right Thing is a page-turner that gripped me from the beginning. --Anna Jean Mayhew, author of The Dry Grass of August
Before you read this book, make some coffee, grab the chocolate, sit down in front of the fire, and dont plan on getting up for a long, lovely time. --Cathy Lamb, author of If You Could See What I See
Amy Connor has combined all of the right elements to make The Right Thing a fantastic read. Shes written a touching story about a womans search for herself and the endurance of a childhood friendship, outlined it in humor, and delivered it with beautiful prose. A wonderful debut! -- Mary Simses, author of The Irresistible Blueberry Bake Shop & Cafe
Told with natural Southern lyricism, and full of surprises both quirky and heartfelt, The Right Thing is a compassionate reminder about how every choice at every fork in the road has the power to change the rest of our lives--sometimes far better than we ever could have imagined. -- Kaya McLaren, author of How I Came to Sparkle Again

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
