

The Team

An Army Special Forces team under the command of Captain Brent Chase fights for its life in the mountains and villages of Afghanistan. Years later, in a house at Ft. Campbell, Kentucky one of its elite soldiers lies dead of an apparent suicide. Chief Warrant Officer Thomas Colby, from the Army's Criminal Investigation Division, meets with anger and resistance as he probes into the history of the soldier and the Special Forces Team he served with. Without official sanction, at risk to himself and his career, he continues his investigation all the way to the battlefields of Iraq and Afghanistan. When the line between courage and recklessness, honor and disgrace, or victory and defeat can be maddeningly thin, brave men struggle to survive and to come to terms with what they have had to do. One man, though, will stop at nothing to find the truth behind the Team.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
