

Tolleys Employment Handbook 2000-2001: plus supplement (Tolleys employment service)

Tolleys Employment Handbook 2000-2001 is written in a clear, highly accessible style, covering every aspect of employment law. The handbook is designed to assist with every query on routine subjects, such as maternity benefits and recruitment, as well as providing expert guidance on more sensitive areas of the law such as sex discrimination and redundancy. This new edition includes full details of all changes introduced by the Employment Relations Act 1999 and the new rules relating to recognition of trade unions. In order to ensure that you are completely up-to-date on all the developments in employment law in the year 2001, Tolley will be publishing an update to the Employment Handbook 14th edition, in July 2001.
