

Traffik: The Stolen Girls

A story of modern day slavery. Four girls stolen from their homes and sold into a life of degradation and humiliation. Four very different girls who learn to respect and rely on each other as they battle for survival against the odds and a cruel, powerful enemy. Follow spoilt and vain Jata, sensible and motherly Akinyi, sensitive but disturbed Shani and worldly Marija as they strive to regain their stolen freedom and dignity.

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
