

# The Equipment Guys

Growing up, Jim and his pals Kyle and Seth didn't simply follow the Orlando Buccaneers--they lived, breathed and ate red and white, flying the colors on their bedroom walls and flipping Topps football cards for quarters. Trying out for the freshman football team, Jim was the only one of the group who really demonstrated any potential. However, Jim had bigger plans for his life: college, law school, and his father's law firm--was the plan, until a reunion with his hard-partying pals reminded him of how much he missed the good old days. Now Jim is starting over, joining Kyle and Seth as equipment guys for the Orlando Buccaneers--positions with just enough clout to bring plenty of trouble to the table. Sex, scoring, and major league mischief are all in the playbook when these three friends are playing the field, but are there really any winners in this type of game?

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
