

A Guide to Outlook and the Web for Property Professionals

We live in an information economy. The vast amount of information available on the web, and the myriad methods of communication can be overwhelming. Information Management technology is a necessity for any business. This book concentrates on the needs of the professional property adviser. It is divided into three sections: Outlook, The Web, and an EGi case study.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."

Martin C.
