

## Whos Who in Shakespeare

The characters that Shakespeare created, over 800 of them, are as vivid & convincing today as they were to his Elizabethan contemporaries. Some are recognizable stereotypes, while others employ all the depth of human understanding & the subtle characterization of which this superb dramatist was capable. All of these are featured in this book. An exciting selection of illustrations, drawn from 4 centuries of Shakespeare in performance, enliven the text. Classic actors, such as David Garrick, Sarah Siddons, Ellen Terry & Edwin Booth, are all here, alongside such 20th-century luminaries as Laurence Olivier, Judi Dench & Kenneth Branagh.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
