

The Truth About Freuds Technique: The Encounter With the Real (New Perspectives on Jewish Studies (Hardcover))

In this unusual and much-needed reappraisal of Freud's clinical technique, M. Guy Thompson challenges the conventional notion that psychoanalysis promotes relief from suffering and replaces it with a more radical assertion, that psychoanalysis seeks to mend our relationship with the real that has been fractured by our avoidance of the same. Thompson suggests that, while avoiding reality may help to relieve our experience of suffering, this short-term solution inevitably leads to a split in our existence. M. Guy Thompson forcefully disagrees with the recent trend that dismisses Freud as an historical figure who is out of step with the times. He argues, instead, for a return to the forgotten Freud, a man inherently philosophical and rooted in a Greek preoccupation with the nature of truth, ethics, the purpose of life and our relationship with reality. Thompson's argument is situated in a stunning re-reading of Freud's technical papers, including a new evaluation of his analyses of Dora and the Rat Man in the context of Heidegger's understanding of truth. In this remarkable examination of Freud's technical recommendations, M. Guy Thompson explains how psychoanalysis was originally designed to re-acquaint us with realities we had abandoned by encountering them in the context of the analytic experience. This provocative examination of Freud's conception of psychoanalysis reveals a more personal Freud than we had previously supposed, one that is more humanistic and real.

Portland's Solar Equipment Installation Experts Referral SOLAR Save Money Help the Environment Gain Power Independence Learn About the Benefits of Solar Panels

"I had solar panels installed on my roof in July. Rob from Referral solar is very experienced and professional. He gave me recommendations based on my home and helped me choose from the different payment options based on my budget."

Judy C.

"I'm using zero net electricity and that feels wonderful. I've had the system up and running for two months now, and the results are better than I expected!"

Daniel M.

"I would highly recommend Referral Solar Portland to everyone! They installed solar panels at my home about a year ago. We've had rain since the install and no leaks to report. The energy we've been generating is consistent and clean. I couldn't be more pleased."
